GAINESVILLE
Cohousing

home *for sale*

Gainesville Cohousing is a neighborhood concept in Gainesville, FL with the goal of living in an intergenerational, cooperative, and sustainable community. Founded in 2011, Gainesville Cohousing is made up of **24 private homes** on 4.75 acres in Northwest Gainesville near Thornebrook Village. Our community is within ***walking distance to shopping, restaurants, entertainment***, and is located in an excellent school zone. We are committed to living collaboratively by sharing a pool, playground, gardens, paths, tools, as well as in the work and play it takes to continue to foster the **connectedness and friendships** that keep our community running.
